# **PREPARING OUR STUDENTS FOR A PRIVATE SCHOOL VISIT OR INTERVIEW**

---

**We recommend that your child learn about the schools they are interested in before visiting them. We will do practice interview sessions here at Armstrong with Regina Lewis.**

At home it is helpful to talk informally with your child about their interests and accomplishments so that they can be ready to talk about those things with an interviewer.

- Be ready to talk about why you are interested in the school
- Dress appropriately
- Practice giving a firm handshake
- Participate in Armstrong student practice interviews with Regina Lewis.

## **DURING INTERVIEW**

- When you are introduced say “nice to meet you” and extend arm for a firm handshake
- Be polite - Say “please” and “thank you”
- Look at the interviewer in the eyes
- Listen carefully
- SMILE!! :-)

## Recommendation Form/Letters/Transcript Outline: For Private Schools

### Recommendation Request per subject:

As you are filling out the applications, there is a section for you to input the teachers emails per subject. If you are not sure which teacher this is, e-mail Lora Buchler, [lbuchler@charlesarmstorng.org](mailto:lbuchler@charlesarmstorng.org) or Margie Curran [mcurran@charlesarmstrong.org](mailto:mcurran@charlesarmstrong.org)

- **Math** - Your student's current math teacher
- **English** – Your student's current English teacher
- **Counselor/Principal** – Middle School Director
- **Recommendation Letters:**  
These are not mandatory. If you decide to add an additional recommendation letter it could come from a coach or family friend that knows your child well and can speak to their strengths. Please let us know if you are sending an additional outside recommendation letter. Armstrong will provide a letter of recommendation *only* to the school(s) we can recommend for your student.

### Once we know which schools you are applying to:

- NSP Team follows up with teachers to assure the recommendation links are completed by deadline. Please note: Our internal deadline for recommendation forms is after your application due date.
- **Jan. - Feb.** NSP Team sends transcripts and recommendation requests to each school. Your application dashboards will not look “complete” once you finish your portion and deadline. Margie and Lora will make sure all the rec. forms, transcripts etc. get to the right schools. Don't panic it takes a long time for all that paper-work to be accounted. We have a different deadline for this, often as much as one month past yours.

### After decision day in March

- Families receive application results and shares information with the Team. End of year transcripts go out in June.

# PRIVATE SCHOOL APPLICATION PROCESS

---

## **INDEPENDENT High Schools:**

There are two ways to fill out applications:

- 1) On the high school website
- 2) On Ravenna

If a high school's application is online, their paperwork requirements will vary and may only require one teacher to fill out a recommendation form. This is typically an automated link, but it may be a paper form. **\*If the school application provides an option for electronic forms or paper forms, please select the electronic option.** Please make sure you have already requested your teacher/e-mail address per subject from Margie Curran or Lora Buchler so you are prepared when you fill out this portion of the application. This is helpful for both of us as we move through the process.

If there are any **paper "forms"** that the school requires to be completed by teachers or school personnel, please send/drop off to Margie Curran at [mcurran@charlesarmstrong.org](mailto:mcurran@charlesarmstrong.org). Margie will make sure the appropriate person fills them out.

**\*Please Do NOT send to teachers directly unless you are directed to on the application. See page 5 for application forms outline. Everything comes through the NSP team for tracking purposes**

### **What is Ravenna?**

Ravenna is an online application system that many schools are using. If the high school you are applying to uses this system, you must register on Ravenna first. All schools on the Ravenna system share documents however you designate a Math teacher, English teacher and a Principal. Before starting any applications contact Margie or Lora for the correct email address for each of the Armstrong faculty your student is working with per subject. Important to note: As Armstrong administrators on the Ravenna system we CANNOT see any applications in process. We can only see that you are registered and that the application has been submitted. We cannot see which teachers you have designated recommendation form links to.

**\*It is ESSENTIAL you coordinate with us to make sure the names of the teachers you have listed are the correct teacher assigned to your student; Margie Curran then knows who to follow up with to assure they are completing the necessary forms.**

# HIGH SCHOOL ENTRANCE EXAMS FOR INDEPENDENT SCHOOLS\*

---

Summer Test Prep: Test taking strategies are basically the same for each test. We recommend you start test prep over the summer to pace learning the strategic skills portion of test prep and minimize stress in the fall. If possible, we also suggest setting up 5-6 private tutor session for your student over the summer.

**Get a Book:** Barons, Princeton Review

- **Group Classes:** AJ Tutoring class at CAS (summer session or fall session) This year AJ Tutor test prep summer class dates: July 12- 23, Monday, Wednesday and Friday 9:00-11:30 am. Invite late April.

**Private Tutoring:** Tutors recommended by your student's teacher,

**AJ Tutoring** <https://www.ajtutoring.com>,

**Tutor Corps:** <https://www.tutorcorps.com/tutoring/test-preparation>

**Compass tutoring** <https://www.compassprep.com/services/isee-ssat-hspt/>

**Test Innovators** – online test prep. <https://iseeparticettest.com/how-it-works>

**Bellarmino** – Free HSPT test prep on line. <http://www.bcp.org/admissions/hspt-prep/index.aspx>

**HSPT Saso test prep tutor** - <http://www.sasohighschoolprep.com/>

**INDEPENDENT High Schools** (Non-Catholic)

Most private schools require the ISEE or SSAT. Contact Lora Buchler

[lbuchler@charlesarmstrong.org](mailto:lbuchler@charlesarmstrong.org) at Armstrong to help with coordinating your efforts to receive appropriate accommodations and sign up for the ISEE or SSAT.

**What is the ISEE?**

The Independent School Entrance Examination (ISEE) is a test that many independent schools require as part of their admission process. Families are responsible for completing their own registration for the ISEE and for applying for any necessary testing accommodations. All documentation for accommodations must be within the last three years and must be uploaded directly to the ISEE website ([www.erblearn.org](http://www.erblearn.org)).

**What is the SSAT?**

The Secondary School Admission Test (SSAT) is a test that can be taken **INSTEAD** of the ISEE as part of the admission process by **Independent Non-Catholic High Schools**. You can apply online at <https://ssat.org/about-ssat/about-the-ssat> or mail in your application.

**\*Note: Students only pick ONE TEST (ISEE or SSAT). Armstrong recommends the ISEE because the ISEE will not take off points if you answer incorrectly. SSAT will deduct a quarter point for each incorrect answer.**

### **CATHOLIC High Schools**

The HSPT is **\*REQUIRED\*** for anyone applying to Catholic Schools. It is offered on various dates in January and hosted at several schools in the Bay area. Catholic schools including but not limited to: Serra, Riordan, Mercy, Notre Dame, Sacred Heart, etc.

### **What is the HSPT?**

The High School Placement Test (HSPT) is a test that is required for 8th grade students as part of the admission process by **Catholic high schools**. The test dates vary, but all are completed by the end of January. Please check tests dates and locations with the school you are applying to. Follow instructions to request testing accommodations (hspt.com).

You will sign up for the HSPT when you are in the process of filling out the application to a Catholic high school. Be sure to indicate that you are signing up for the accommodation testing. At this time they will ask you to up-load the students IEP or private evaluation for approval. When applying to multiple Catholic schools you will need to register for the HSPT at only one of the schools, and list the other schools you are applying to so they will receive your students scores.

### **PUBLIC SCHOOL**

You will sign up for placement testing if applicable for your district in Feb. There is no entrance testing for students who are enrolling in public school.

## FREQUENTLY ASKED QUESTIONS

---

**1. Are we behind if we have not organized everything by the time the school year starts in our search for next year's schools?**

You are NOT behind. **Fall is the correct time to start planning** your explorations of next schools. Shadow and visit dates run from September – early December.

**2. When should we be scheduling public or private shadow visits?**

Arrange shadow visits from October through November, if possible. This gives your child time to transition into the school year and gives Armstrong time to work with your child to reflect on the search for next schools. Please **update us with the dates of your student shadow visits and interviews** so we can schedule their practice interviews with the team.

**3. When does Armstrong start scheduling the practicing interview sessions with the students?**

We schedule **practice interviews starting in late September through the fall**. For students who have shadow days, etc., scheduled before mid-October, we want to make sure we have seen these students and spent time facilitating their thinking about next steps. The areas we cover in practicing and coaching for interviews are applicable for shadow visits as well. **Our overall goal is to encourage reflection on the next schools process and focus on students' comfort level and depth when "telling their own story."** We also focus on helping extend their thinking about what they are looking for, and why, in their next learning environment.

**4. What are the important deadlines to be aware of as our family explores next schools?**

**PLEASE** make sure to check **ALL** steps in the application process for each school you are interested in exploring, whether you are thinking of transitioning to public schools or private schools. Each school has unique application processes and steps, different tests they may require, and **different deadlines** for various components of the application process. **YOUR family is responsible for knowing these deadlines**. You are also responsible for creating a calendar system to manage these deadlines and application steps for whichever schools you choose to explore. Armstrong is here to help and provide advocacy; we rely on regular communication with families and check-in coffees to ensure that the process goes smoothly for your child and family.

**5. When are private school open house dates for high schools in the area?**

Most schools offer a list of several schools' Open House dates on their web site by late August, early September. Our best advice to you is to **search the websites of the high schools you are interested in** and be proactive about signing up for their Open Houses; dates and times are usually posted mid-August. Your NSP team will post events as they

come in from schools who actively recruit our students.

Questions? contact Lora Buchler, [lbuchler@charlesarmstrong.org](mailto:lbuchler@charlesarmstrong.org)

Public School will provide an information night for families, usually Oct., check your website.

#### **6. When should we fill out the school applications?**

Please take your time with the applications to high schools. Allow the school year to get underway and allow your children time to participate in the process of exploring schools before completing the applications. Know the deadlines of the application process for each individual school. We suggest organizing your thoughts and project timelines for completing application questionnaires and essays in October and November. Begin answering questionnaires or essay questions in November and December. **Using helpful tools such as graphic organizers, outlines, and timelines can help student's structure meaningful answers to questions** that include specific examples and/or anecdotes that back up your statements in a compelling way.

#### **7. What do I need to do about Psychological Education Evaluations (Psych Ed) and/or IEPs when transitioning to high schools?**

**If your child's Psych Ed or IEP is three years old or more, you must renew the evaluation** to be considered for support at future schools and/or to receive accommodations on placement exams. If your child's Psych Ed is not within the past three years, decide who will do testing and contact them ASAP:

##### **A) Private Evaluator**

B) **IEP** through the Public School District: The IEP process is coordinated by Margie Curran, [mcurran@charlesarmstrong.org](mailto:mcurran@charlesarmstrong.org). Start the process by going to the Armstrong website → Parents → Next School Placement → IEP/504 Guide

#### **8. Are there forms I need to give the team so they can share my child's academic information?**

**YES.** Before sharing any recommendation forms we must have a signed Armstrong Transcript Release on file. AND each school has their own form which you will sign per school as you fill out the application.

**Please note:** While you are filling out applications each school requires slightly different Transcript Release forms. Most will have you sign them on-line; but a few will request you print out their Transcript Release form and turn it into Armstrong; an example of this is Mercy B, Notre Dame, Mid Penn and Kehillah.

**Please send a signed copy of the Armstrong Transcript Release form to Margie**

Curran, Scheduler, [mcurran@charlesarmstrong.org](mailto:mcurran@charlesarmstrong.org)  
Armstrong Transcript Release Form attached – Due early Nov.

Once we receive this form we will know you are applying and can legally share your child's academic information; no action can be taken until we receive this form.

**Specific forms, and recommendation letters outlined on page 10.**

**9. Does Armstrong send confidential letters of recommendation?**

In most cases it's not mandatory. Some schools will request a clergy referral. If you decide to add an additional recommendation letter it could come from a coach or family friend that knows your child well and can speak to their strengths. Armstrong will provide a letter of recommendation *only* to the school(s) we can recommend for your student.

### Transcript Release and Confidentiality Form
