**Art Show 2018**

Congratulations to Armstrong students for sharing your creativity and personalities with the community. We had an amazing year with you all - trying out some new projects, incorporating gold to honor Armstrong's 50th - and WE THANK YOU FOR ALL OF YOUR HARD WORK. In order to ensure artwork arrives home safely, art will be returned at parent teacher conferences next week (unless it is now in a frame on the wall), including work from last year that is now down from the walls.

Many thanks - and stay gold,  
Ms. Martinez & Mr. Jones

**Participation Gift**

We are coming to the end of the school year and trying to achieve 100% Parent Participation in the Annual Fund.

If your family has not yet given, please consider a participation gift to help us achieve this important goal. Annual Fund dollars go directly to support academics, student programs and faculty salaries for the current year. 100% of our Board of Trustees and 100% of Faculty and Staff give. And, we like to say 100% of our current parents give as well.

Your gift helps

- \* Provide salaries and benefits to retain exceptional faculty.
- \* Offer a multisensory academic program designed explicitly for students with language-based learning differences.
